11		BRONGA, Jaime
12		SARGENT, Ida

\*The 6th position in the semi-finals goes to two of the 3rd place finishers from the heats based on-- of those five 3rd place finishers, who had the fastest Qualification Time (this is how it is being handled in the US). According to FIS, the heats are timed and the two 6th place positions are given to the two fastest third place finishers based on their Heat finish times.
