

The Whistler Athletes' Lodge Welcomes You!

Affordable Accommodation for Sport Teams, Educational Organizations, and Arts & Culture Groups

Accommodation

The Whistler Athletes' Lodge was constructed to provide accommodation for teams visiting Whistler for training camps and competition events in both winter and summer. As a carded athlete/coach, a member of an educational organization, or an arts and culture group, you too can enjoy this 2010 Olympic Winter Games legacy!

The Whistler Athletes' Lodge is located in Cheakamus Crossing, Whistler's newest neighborhood across the Highway from Function Junction. The Lodge features 95 rooms containing 190 beds. Each room contains two Twin XL beds, a desk and an armoire. Internet data ports are available in select rooms. Fully-accessible bathrooms are located on each floor, and are shared between two rooms. Each floor of the Lodge has a common room perfect for relaxing, watching TV, or surfing the wireless connection; and common rooms are also available for rental to hold group meetings.

Other Amenities

Free parking is 100 m from the front door. Secure storage is available in the Lodge basement. Food services are provided by Bearfoot Bistro (sample menu on the reverse). A few local eateries are within walking distance. Heading 4 km north to Creekside, you will find more restaurants, and 4 km further gets you into the heart of Whistler Village.
